VIC VICE (Virtual Industry Careers Experience)

"Your Career in Sight" - VIC VICE allows students to immerse themselves in various workplace environments. They can experience first hand the daily tasks, challenges, and rewards associated with different professions, enabling them to make informed decisions about their future careers.

[VIC VICE - What it is](#)

Please contact HWLLEN Office : hwllen@hwllen.com.au

Hume TAC L2P

The TAC L2P Hume Program assists learners between 16 and 21 years of age, who do not have access to a supervising driver or vehicle, to gain the driving experience required to apply for a probationary licence.

Contact Cynthia Petridis - Hume L2P Coordinator - L2P@hwllen.com.au

School Industry Guest Speaker

Secondary school students can access and engage with dynamic business and industry professionals who discuss their personal pathways in education, training, and employment. Available as pre-recorded resources (videos and podcasts) and face to face events, the program covers a range of fascinating jobs and professions.
