

HUME WHITTLESEA LLEN WHAT'S ON 2026

FUTURE SKILLS & CAREER EXPO

17 MARCH 2026

Plenty Ranges Arts & Convention Centre, South Morang

School students (and school leavers) meet with representatives from educational institutions, RTOs, GTOs, businesses, employment agencies and service providers to assist young people with their queries associated with career pathway planning and transitioning from school to further study, training and employment. Workshops featuring future skills and projected industry demand are provided for school groups as well as tips and tools for expanding career networking capabilities (registrations essential).

VET DISCOVERY EXPO

28 MAY 2026

Town Hall, Broadmeadows

Year 9 and 10 school students engage with VET Delivered to Secondary School (VDSS) providers, industry groups and local businesses to gain first-hand exposure to a variety of career pathway options through engaging and practical activities.

REAL INDUSTRY JOB INTERVIEWS

2026

Sunbury Broadmeadows South Morang

GIVING STUDENTS A 'REAL' JOB INTERVIEW EXPERIENCE.

Real Industry Job Interviews (RIJI) is a program designed to assist young people to prepare for and experience a 'real' job interview.

Sunbury: 4th August, 2026

HUME WHITTLESEA LLEN WHAT'S ON 2026

VIC VICE

VIRTUAL REALITY CAREERS EXPERIENCE

VIC VICE is a virtual reality platform that will allow students to experience different workplaces, particularly the hard to reach industries. VIC VICE features 2 types of content including 360 degree video with interactive touch points and Video-game style simulations and activities.

Work Window: Job Interview Simulator is a virtual reality platform that assists with preparations for job interviews. **Work Window:** Career Exploration is a video platform for students to explore options in a variety of work places. Schools can now loan the headsets for in house programs. Bookings are essential.

HUME VET CLUSTER

The Hume VET Cluster is a partnership between secondary schools across the Government, Catholic, and Independent sectors, local TAFEs, Registered Training Organisations (RTOs), and the Hume Whittlesea Local Learning and Employment Network (LLEN).

VET Clusters work collaboratively to increase access to Vocational Education and Training Delivered to School Students (VETDSS) by sharing resources and expertise. VETDSS supports students to build real skills, connect with industry, and explore meaningful career pathways.

HUME & WHITTLESEA YOUTH COMMITMENT

Hume Youth Commitment (HYC) and Whittlesea Youth Commitment (WYC) are community partnerships dedicated to helping young people successfully transition from education to employment. By uniting schools, business and community services, the youth commitments provides coordinated support to ensure inclusive access to education, training and job opportunities.

For more information about the HYC, visit: <https://www.hwllen.com.au/hyc>

For more information about the WYC, visit: <https://www.hwllen.com.au/wyc>

INDUSTRY TOURS

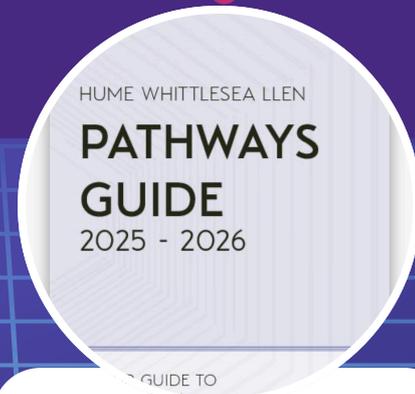

Industry Tours provide access for students and teachers to directly engage with qualified professionals in various industry environments.

HUME TAC L2P

The TAC L2P Hume Program assists learners between 16 and 21 years of age, who do not have access to a supervising driver or vehicle, to gain the driving experience required to apply for a probationary licence.
